Ordinarily no administrative

case of the Dist. Court-Buildings Mangalore,
however, the Registrar, High Court, requested Govt that
certain repairs together with white-washing and
colour-washing ^{might} be ordered to be carried
^{expeditiously} out during the current year. Hence
administrative approval of Govt was accorded to ensure

that the work
is carried out for 15.12.55.

. Estimates.

From the Rep. High court letter No. 1812. A 1812. D 3 of 10.9.18.

The High court has forwarded an estimate for Rs. 850/- relating to the white washing and colour washing of the building in the District court area in South Kanara i.e. Mr. Judge's court, Mr. Clerk's court and the Public Hall. The white washing has been proposed for the interior while colour washing has been proposed for the exterior of the bldg.

2 In connection with the proposal for the repairs to certain court buildings in the Tanjore district the High court ^{has} stated that it is of the utmost importance that public offices and especially offices of the Judge, should be maintained in good repair not only from the point of view of the health of officers and staff working in them but also from the point of view of the impression which an untidily maintained office will make on the minds of the public who frequent it. ^{or for} ~~they have~~ also stated that in the present set up of things it is necessary and indeed desirable that court houses should present a decent appearance. For this reason

3
 States above the High Court requests that
 the estimate in this case also
 be approved by govt. As the estimate in this case relates
 to white and colour washing only to the
 extent of Rs 800, they may be approved by govt.
